IN MEMORY OF JOHNNY F.
FITTS "75" GRADUATE OF

BELL CITY HIGH SCHOOL

Died:
February 17
1976

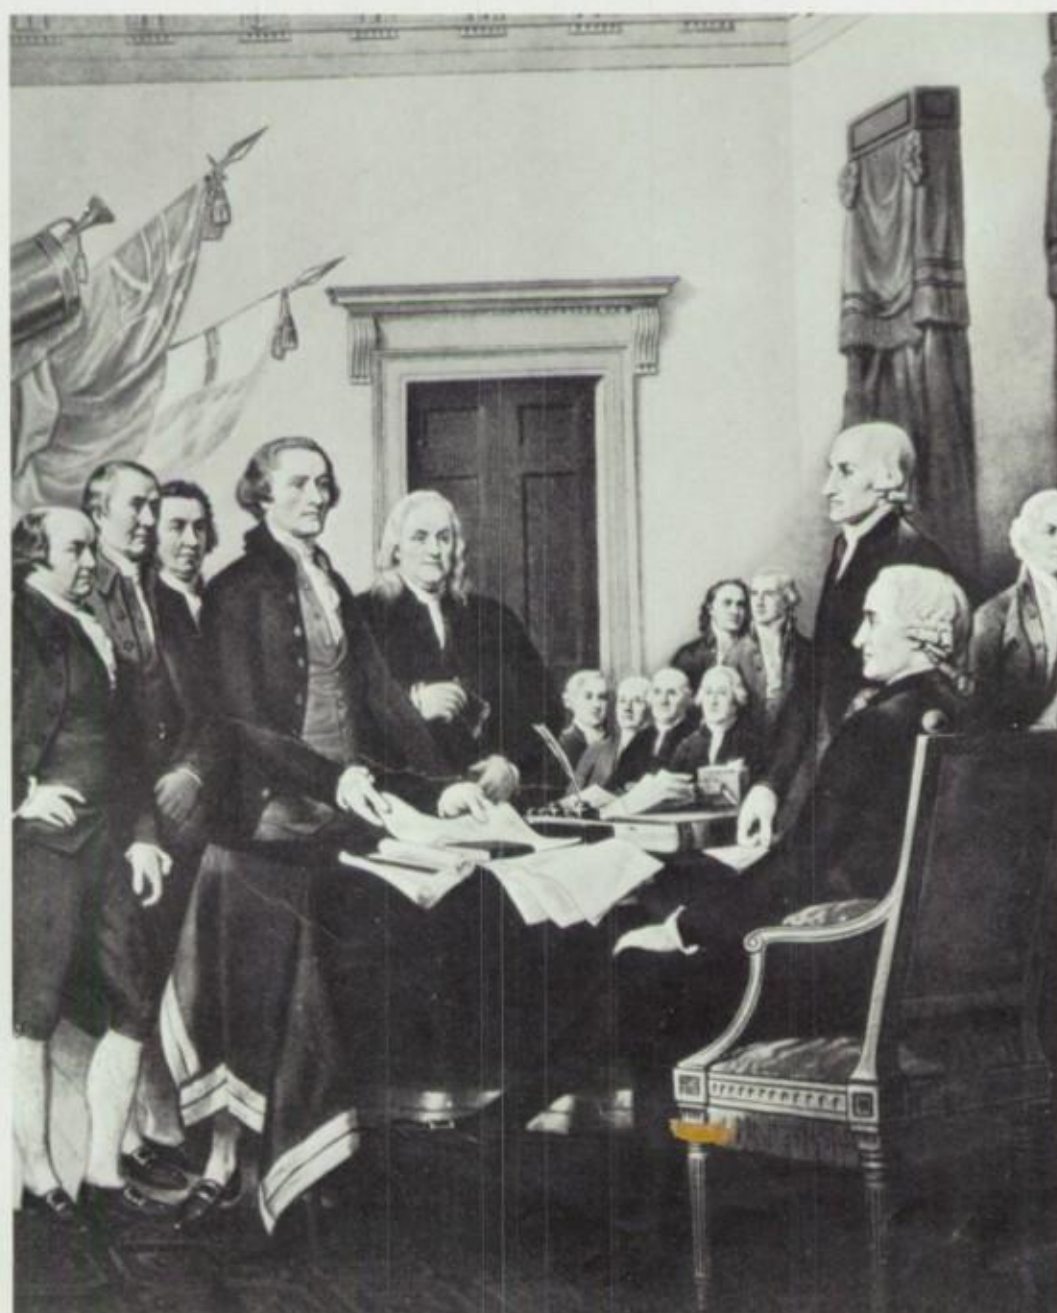

Johnny F Fitts

A laugh, a tear, a smile, a cheer!
They appear, linger, then disappear.
To become Memories of the year

Memories of times of work and play
That we shall keep past that day
We go our own and seperate way.

But whatever comes to be
I will always remember thee
And all the times you and me were "we".

FERREL AUSTIN

I have enjoyed my association with the Bell City Schools the past four years. I wish the best to all of you as you proceed through school. To the Seniors, I hope you find happiness and satisfaction as you enter a new phase in your life. It isn't all peaches and cream, but if you look, you will find many rewards along the way that will make life worthwhile. My best to all of you.

Golden E. Neely, Jr.

The 75-76 school year has been an interesting and enjoyable one for me. I have got to know many students and school personnel, and I hope, maybe friends.

I wish the Senior class and all of the underclassmen all the success possible in the future.

ELEMENTARY FACULTY

Our present day society has placed an increased emphasis on relevance in education. The elementary school has the responsibility to accomplish the goals set in the early formative years of each child's life. We, the administration and faculty of Bell City Elementary are striving to do the best possible job of helping the child to become an individual and a useful member of our society.

BELL CITY--Winning basketball has not not a trademark of Bell City High School in recent years, however, based on performance this season by their junior high teams, that situation may be about to change.

The Bell City Junior High concluded its season last week and finished with a combined record of 25 wins and two losses. The seventh grade squad wound up 10-1, while the eighth graders finished with a 14-1 mark.

Highlight of the season was when both teams captured the championship of the Stoddard County Junior High Tournament. Earlier in the season, the eighth grade squad won the Richland Eighth Grade Invitational.

The Bell City Junior High teams are coached by Jim Patmore.

The only eighth grade loss came by a 41-36 margin to Scott Central, while the seventh grade dropped its contest to Bernie 41-23. The seventh graders got revenge for that defeat in the finals of the Stoddard County Tourney as they edged Bernie 34-32.

On an average, the eighth grade team scor-

ed 44 points a game and allowed opponents 27, while the seventh grade squad scored 40 points per outing compared with 26 for the opposition.

William Henry was the leading scorer for the eighth grade team with 346 points, an average of 23 a game. He also stood out on defense and made it difficult for opponents to shoot from his side of the floor.

Steve Austin was the team's leading rebounder and also handled the ball well against the press. He finished second in pointmaking with 165, for a per game average of 11.

Other starters who helped make Bell City's "hustle style of defense," effective were Scotty Lewis, Donel Robinson, and Clint Stephens.

Rounding out the eighth grade team were Mike Dockins, Mike Eakin, Mark Ramsey, Chad Maddox, Ted Painton, Robert Meekie, and Donald Pettis.

The seventh grade team has seven players who started during the season and had no one outstanding individual.

Gary Gross, who scored 111 points, a per game average of 10, was the team's top scorer.

Finished with combined 25-2

He was also effective rebounding with his four-foot, ten inch frame.

Mike Henson made the team run offensively and stood out on defense and rebounding. Another defensive standout was George Daniels who led Bell City's press and recorded many steals throughout the season.

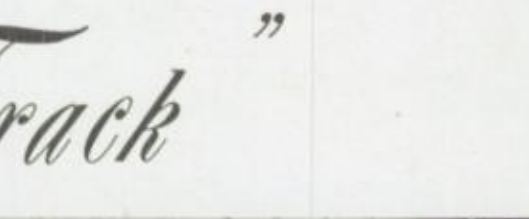

Also starting at times for the seventh graders were Joey Henry, Shane Callow, Ron Hicks, and Dennis Hunsperger.

Other seventh grade players were: Manuel Willey, Willie Jenkins, Tommy Green, Theodie Morris, Brian Wilcox, and David Kight.

AUTOGRAPHS

Bessie

What can I say know one really knows what the future holds
in store for you & your family. Maybe its something nice either
way about life. I hope the future brings sheer & joy for all.
So when summer past its fall. the birds have song. and
for all life has begun. its all here so be cheerful.
the merry year & forever.

your Sister

Deborah. Hues.
